HISTORIAE MEDICINAE

October 27th, 2014

Dear Professor Konstantin Pashkov - RSHM President,

I acknowledge receipt of your official letter, informing Professor **Giorgio Zanchin**, ISHM President, and myself, as ISHM General Secretary, that Professor **Dmitry Alekseevich Balalykin** has been recently appointed National Delegate of Russian historians of medicine who are paying members of the ISHM.

This election is in good keeping with current ISHM by-laws and will enable Professor Balalykin to represent Russian ISHM members on the ISHM Administrative Council.

Thank you for your support and collaboration, which is very much appreciated.

Yours sincerely,

Prof. Dana Baran, MD, PhD
ISHM General Secretary
